

# YEAR FOUR

## Sound Waves.

In topic we have been learning the science of both volume and frequency of sounds. We have learnt that sound travels to our ears and turned into electrical pulses so that our brains can recognise what the sounds are.

We have begun to listen to the symphonic Fairy Tale 'Peter and the Wolf' by Sergei Prokofiev. In this piece of music, different instruments represent the characters. We have started using the musical terms pitch, tempo, timbre, texture, beat and duration when we talk and write about what we hear and to describe what we like or dislike about the music we are listening to.

We would like to wish you all a super Easter Break from next Friday. We hope that you have a relaxed and enjoyable couple of weeks. We look forward to seeing the children in school on Wednesday April 20th .

### Homework Each Week

Just a reminder that the following **must** be completed each week:

1. Minimum of 3 x 15 min reading sessions
2. Minimum of 2 x 10/15 min sessions on TT Rockstars/Numbots
3. Minimum of 2 x 10/15 min sessions on Spelling Shed + Optional Homework.

Remember! Even though the weather is getting warmer children should still have a change of footwear to play on the field

**Reminder: Malorie and Seacole are swimming on Thursdays next half-term so only need to wear their indoor P.E. kits to school on a Wednesday.**
