## What a week!!

A HUGE well done to all of Year 6 for getting through a challenging week! You were truly amazing and completely smashed your SATs—every single one of you tried your hardest and we are immensely proud of you all!

As a reward for all the hard work, Year 6 left school yesterday with their Leavers' Hoodies and T-shirts. Don't they look fabulous!!

### Lakes Meeting Reminder

There will be a follow-up meeting for parents of any children who are going to the Lakes on the **24th May at 6:30 pm in the hall.**

This is a great opportunity to ask any last minute questions.

Please can you ensure that medical forms are returned as soon as possible.

### New Hoodies!

Children are allowed to wear their hoodie into school every day in place of their school jumper but must wear school uniform underneath. This includes correct footwear.

The children can wear their leavers' T-shirts on their P.E days as part of their P.E kit.

They are allowed to do this until the end of term!
