

Dereham Church Of England Junior Academy

Year 3 Newsletter

A big thank you!

How time flies! It doesn't seem that long ago since we were welcoming you and the children to Dereham Junior Academy. We are immensely proud of the children; their work, their behaviour and their enthusiasm. A big thank you to all the parents for your support this year, your children would not have made such great progress without you. Just like we've been banging on about all year, please continue to read with your child over the summer holidays. Parental engagement has been proven to have a huge impact on a child's academic abilities. Other useful things that you could do over the summer (if the children are bored), would be to help them tell the time and revise their 4 and 8 times tables. Times Table Rockstars and spelling shed will still be available over the summer. But, most importantly, enjoy the break!

Time and Tide Trip

We had a great time on our two trips to Great Yarmouth. Each day we started at the Time and Tide museum where the children met 4 characters who took them back in time to 1941. After we finished at the museum, we went to the beach, had an ice-cream and played on the 2p machines. The weather was amazing and the children were brilliant. Mrs Scott even had a phone call from Time and Tide Museum to say that the children were engaged and wonderfully well behaved. Below are some pictures of the two days.
