

YEAR FOUR

Goodbye and Thank you!

It seems crazy that we are now fast approaching the end of the children's time in Year 4. It only feels like yesterday when we were meeting them for the first time!

We are so very proud of everything the children have achieved this year. We send them onto Year 5 with fond memories, lots of love and our best wishes for their new year group.

A special thank you to all the grown ups who have been supportive throughout the year; your support at home really helps with their learning.

Come Dine with Me!

This week, Year 4 have been learning and practicing cutting, grating and peeling techniques. We were very impressed with how well all the children did!

A reminder..

Please send your child to school with a water bottle that is full of water as the weather is much warmer now.

Reports

Your child's report was sent home this week. As always, don't hesitate to get in contact or fill in the feedback form included in the report if you have any comments you wish to make!
