

YEAR SIX

The end is near...

We are nearing the end of the year, and the primary journey for our Year 6 students. It has been an absolute pleasure to get to meet, know and teach them over the past year and we are so incredibly proud of all they have accomplished over the year. We have been fortunate enough to see them blossom into mature young people and we wish them all the very best for their next steps into High School. Good Luck Year 6!

Congratulations

By now, you will have received your child's school report, which included SATs results. We wanted to say a massive 'Congratulations' to all children who completed the tests. Each and every single child achieved and their results reflect the hard work and dedication they put in. We are so proud of how they conducted themselves. A huge well done!

What a wonderful week!

Whilst, many of the children were in the Lakes last week, a lucky handful got to stay and experience another side to school. They enjoyed making clay Benin Bronze busts, cooking pizza, making incredible structures of out spaghetti and watching Wonder with friends. Rob also introduced them to diamond cricket and Carl treated them to an extra long Ukulele session!

The children did absolutely fantastic! A big thank you to all the staff, especially Mrs Wilcock and Mrs Fraser!
