We need your help! – Spring Flowering Bulbs

Dear Parents/Carers,

St. Nicholas Church have kindly gifted us some money to transform a garden area into a Psalm 23 Garden, inspired by the one at the 2021 Chelsea Flower Show. Alongside money received from the 'Spiritual Garden funding', from the Diocesan Board of Education, we have nearly met our target of funds needed to complete the plan.

All that we are missing are Spring flowering bulbs. If you are able to donate bulbs that we can plant now and transfer to their new space in the Spring, our garden will be complete.

If you feel you can help with this please bring any donated bulbs clearly labelled for identification and planting purposes eg. Daffodils, tulips, snowdrops, crocus, in a bag directly to the school and leave in the reception area.

Ideally, if they can be brought into school in a soil/compost filled cardboard box, we will be able to directly plant into the ground.

Any donations will be gratefully received.

Kind Regards,
Miss McKay
