

# YEAR FOUR

## This week...

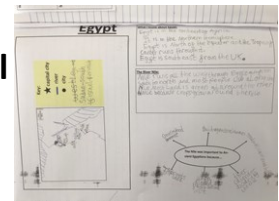

We have been busy working on our Ancient Egypt topic and writing stories about discovering a lost Pharaoh's tomb!

We have also been learning to use bar and part whole models to divide in Maths. We have also been learning about pulse and pitch in Music, relationships in RSHE and programming and debugging in Computing.

## Last week...

We had another busy week finding about where Egypt was and when on a time-line Ancient Egypt was. We were practicing skills to help with our narrative writing in English and looking at how to divide a 2 digit number by a single digit using formal methods. We also carried on learning about programming in Computing, making good choices in different social setting in RSHE and learning netball skills or going swimming in PE.

### Next Week ...

We will be continuing to work on our Ancient Egypt topic, starting a new English unit and doing our Spring Term Tests.

*Spring 1 half-term Thursday afternoon arrangements:*

**Malorie and Parks —Swimming.**

**Please ensure that swimwear and a named towel in a bag is brought to school in the morning.**

**Babbage and Seacole —outdoor P.E.** Children come to school dressed in warm outdoor P.E kits. Please see the uniform policy for further details of what the children should wear.
