

## Another term done!

Wow! What a busy term we have had. A big thank you for all your support and participation this term.

When we come back we will have RE week (*Why is it important for Jews to meet together?*) including a fascinating trip to the synagogue in Norwich.

We have been learning about Hokusai's 'The great wave'. We listened to Handel's water Suite while we used watercolours to paint our drawing of the great wave. We also composed our own piece of music to represent water.

## How amazing do they look?!

Please make use of our **book tasting** club on Google Classroom. If you are not already on it: [wi7m3ep](#)

There are book recommendations from teachers and pupils. We are excited to see what you think! Please leave feedback on any book you choose to read over the holidays.

Have a wonderful Easter and we can't wait to see you back at school on the **18th April!**

### Upcoming Events/Topics
