Dear Parents and Carers,

With SATS only a few weeks away, Tuesday 9<sup>th</sup> May – Friday 12<sup>th</sup> May, we have put together some revision packs for your child to complete over the Easter Break. These are to support their learning and keep those cogs ticking over during the holidays. We would strongly encourage the children to complete these as they can also highlight any areas that they may feel less confident in, which we could then tackle upon our return.

The packs are labelled '10 for 10'. This means that each pack consists of 10 challenges for 10 days.

Each task should take approximately 10 minutes to complete.

<b>Holiday Challenge: GPS '10 Challenges for 10 Days'</b> <small>This booklet is designed to keep your brains 'ticking over' during the holidays. Just a few short activities will mean that you return to school ready and raring to go! Try to really impress your teacher by completing them all, one per day. Circle any questions that you'd like some more help with when term starts again.</small>	<b>Holiday Challenge: Mathematics '10 Challenges for 10 Days'</b> <small>This booklet is designed to keep your brains 'ticking over' during the termly break. We have also added a link to some Maths Quizzes in the Google Classrooms (your child has their own login) should they wish to complete some additional, online revision.

Should you have any questions, please do not hesitate to contact the school.

Yours faithfully,
