Year 3 Newsletter

RW Week

This week we have looked at how people make moral decisions. We discussed how people come to decisions and what might affect their choices. As these lessons are part of our work on religion and world views we looked at Humanism which is a world view we study in Year 3 and Year 6. We had a guest come in and talk about Humanism and how Humanists make decisions.

Key Info

Please make sure that your children are sticking to the uniform guide especially on P.E. days. If you're struggling to get a black P.E. jumper/zip up, the children can wear their purple school jumpers on P.E. days.

Maths

This week we have been looking at time. We have been practising telling the time to the nearest 5 minutes. The children are getting very good at telling the time up to half past but are still struggling with telling the time when the minute hand is past the 6. We have also been looking at durations and how long different times last.

Topic

We finished our topic on Dereham Delivers by looking at the art of John Constable. Using his inspiration we used watercolours to create our own paintings showing some of the beautiful areas of Dereham.
