

Ancient Greek Day!

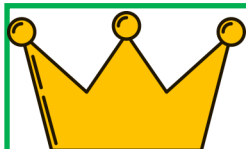

Year 5 had an amazing time on our Greek Day. We spent the day learning about democracy, playing games that were played by Alexander the Great, completing Ancient Greek puzzles and learn-

ing all about what it was like to live in Ancient Greece. The afternoon was spent looking at traditional armour, learning about Greek fighting and hosting our own Olympics.

Thanks to our incredible visitor.

The children looked amazing!
Well done for a great effort.

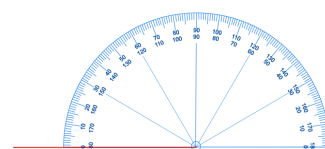

Coronation Celebrations!

We have a fun packed afternoon this Friday to celebrate the King's coronation. We can't wait to spend the afternoon decorating biscuits, making friendship bracelets, playing games and having a disco.

What have we been learning in Maths?

We have been looking at angles in maths. Take some time looking around you to see what angles you can find. Can you estimate the degrees?

Libby.

The library reading app

Borrow ebooks, audiobooks, magazines, and more from your local library **for free!** Libby is the newer library reading app by OverDrive, loved by millions of readers worldwide.
