Key Info

Please make sure that your children are sticking to the uniform guide especially on P.E. days. If you're struggling to get a black P.E. jumper/zip up, the children can wear their purple school jumpers on P.E. days.

English

Our new topic brings us something new to write about. We have been writing a problem, resolution and ending for stories based around a bombing raid. Our main character Jack hears the Warden yell and sirens start.... Then the children have to finish the story. We have had a wide range of excellent stories. Some have ended happily and some have ended sadly with the main characters house being destroyed.

Topic

We have started our new 'Norfolk at war' topic and the children have been really getting in to it. So far we have looked at the global picture- which countries were involved, where the countries are on a map as well as comparing countries geographically. This week we have started to look more at the local effects of the war. The first thing we did was look at the number of airfields in Norfolk and played a modified game of battleships to practice using grid references

BeWILDerwood

Just before half term the children went to BeWILDerwood and had an amazing time. Their behaviour was generally excellent and we are really proud of how accommodating they were to other members of the public often letting other children have a turn before them.
