

YEAR SIX

Welcome to Year 6

Well, it finally arrived: Year 6's first couple of weeks at school. After a long summer holiday,

the children started their first term of their final year of primary school... and what an amazing start to the year it was! The weather raised its game and so did our students. We kicked off our first week with a recap and review of place value in maths; a journey to South America and the Amazon Rainforest in Reading Masters and our writing; planning a journey to Brazil from Dereham in topic and launched our topic with a fabulous Brasil Day filled with music and instrument making. The children have worked so hard and it has been a pleasure teaching our new cohort of Year 6.

BRASIL DAY

We had an amazing and creative day to kick off our 'Under the Canopy' topic. We were very lucky to have Duda Jose Maloque in to facilitate our music workshops which saw the children create their own instruments using recycled materials and also learn how to build a procession of samba rhythms. Year 6 also enjoyed some Capoeira so if you haven't yet, please do have a look at our photos on the school website.
