

# Year Three!

## Autumn 2—Upcoming!

We have an exciting half term ahead of us. This half term, we will be moving on to a new topic 'Light and Dark' where we will study the science behind light and dark as well as do investigations to help us understand shadows. We will then design and make our own shadow puppets! In English, we will be learning how to write a newspaper report and we will be looking at multiplication and division in Maths.

### Marvellous Maths!

Over the last few weeks, we have been learning about written methods for addition and subtraction. We have been SO impressed with how the children have approached this new learning and they really have produced some super work!

If you'd like to know more about the way we teach maths, look on our website in the 'Our Curriculum' section and select Maths!
