

# YEAR FOUR

**Dereham**  
Church Of England  
Junior Academy

**NEW TOPIC!**

## Lightbulb Moments

**NEW TOPIC!**

Until Monday 11th December, we will be learning all about electricity, electrical circuits and will then use this knowledge to design and create our own working lights with a Christmas theme!

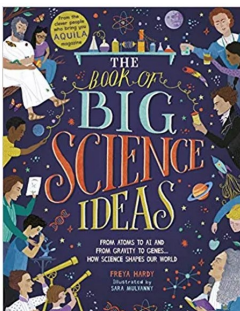

### Maths...

Last week, we learnt how to find the area of a shape by counting squares. We linked this to our previous learning about arrays. We are having lots of practise using our Number Sense strategies in all of our maths lessons. This week we have started our multiplication and division unit: we have learnt about multiple and dividing numbers by 1 and 0.

### English

In our writing lessons, we have read Thomas Edison's biography and begun to learn about the features of an effective biography.

### Recommended Read!

### Weather!

Now the winter weather is here, please make sure that your child comes to school with a spare pair of outdoor shoes.

If your child does not have a change of footwear, they will not be allowed on the field.

### Homework Each Week

The following must be completed each week:

1. Minimum of 3 x 10/15 min sessions on TT Rockstars/ Numbots
2. Minimum of 3 x 10/15 min sessions on Spelling Shed
3. Minimum of 3 x 15 min reading sessions—diaries
