

YEAR FOUR

Maths

Over the fortnight, year 4 have been learning about number and place value up to 10,000. They have been representing numbers in a range of ways and know that represent means show. We have used the greater than and less than signs to compare numbers and we have been placing numbers on numberlines.

Residential Information

The Year 4 residential to Horstead is due to take place in two batches:

April 15th-17th and 22nd –24th April with two classes going on each date. Letters will follow soon to see who would like to send their children but the price is dependent on the amount of pupils who go to cost information will come later.

Please look out for a letter within the next month.

Homework Each Week

The following must be completed each week:

1. **Minimum** of 2 x 10/15 min sessions on TT Rockstars/Numbots
2. **Minimum** of 2 x 10/15 min sessions on Spelling Shed
3. **Minimum** of 3 x 15 min reading sessions—diaries **MUST** be signed

English

In English, the children have been writing their own adventure narratives about two children who go back in time to when the Romans invaded Britain. We've practiced using adjectives to build description and how to use fronted adverbials to give more detail and vary our sentence openers. Find out more about fronted adverbials here—

<https://www.youtube.com/watch?v=0o6wJET1gdl>

The children will start their writing showcase next week!

Topic

In Topic, our focus has been on the origins of the Roman Empire and how far it spread. We have learnt about Primary and Secondary Sources and practised being architects, who analyse artefacts to find out information. We have also learnt about what Britain was like before the Romans invaded and why they were so eager to take British land! Next, we will be learning about the Roman invasion in Britain.
