Junior Academy

Austumn 2—Hung, Drawn and Quartered

We had a fantastic visit to Norwich Castle and Brideswell museum to launch out History topic of crime and punishment and to complete our geography fieldwork investigation to find out about how Norwich has grown from an Anglo Saxon settlement to a modern city.

Homework

FRIDAYS— bring homework books and reading records for marking.

The children have been given 3 homework books for **Reading, Maths and Grammar, and Punctuation.**

The children have been set tasks depending on what we've been learning in school, so they must look at the task sheet in the front of the book to ensure they complete the task for the week.

Homework is due in on Fridays so should try to complete it at the weekend or in good time so that they can ask questions BEFORE Friday if they need any help.

TT Rock Stars

Spelling shed

And Reading at home

Remain important homework for most children as a way to build these foundations skills.

Thank you
