

# YEAR SIX

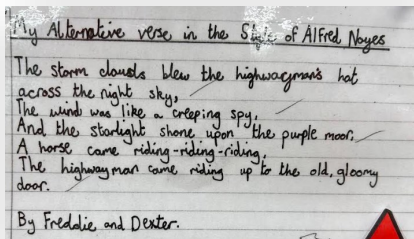

## THE HIGHWAYMAN

Building on their previous learning based on the poem 'The Highwayman', Year 6 have been busy writing in role as either the ghost of the Highwayman or awaiting execution.

They incorporated their knowledge of crime and punishment in the 1600s and their trip to Norwich Castle in order to write a letter to Bess expressing their remorse, anger and sorrow. This resulted in some outstanding pieces of writing! Not only that, but they have also written a stanza in the style of the poet, Alfred Noyes. A special mention to Dexter and Freddie

from Shakespeare Class whose poem impressed staff.

## Year 6 Leavers' Hoodies

A reminder that the order for the Year 6 Hoodies (and T-shirts) will be placed in the coming week. It is essential that you order the desired size for your child. We appreciate that this may seem extremely early BUT by doing so, we are able to capitalise on a fantastic deal.

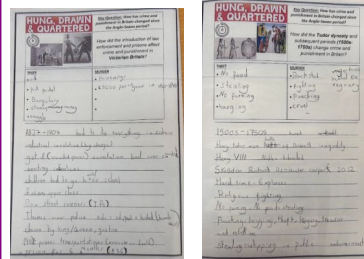

There are four size options available:

1. 12-13 years (34")
2. Small adult (36")
3. Medium adult (40")
4. Large adult (44")

## Awesome Historians!

Over the past few weeks, Year 6 have transformed into historians for our Topic 'Hung, Drawn and Quartered'. Studying and evaluating how crimes such as Murder and Theft have both changed and been punished throughout various periods of history. Over the next week, they will be collating all their acquired knowledge in a report which answers the key question: 'How has crime and punishment changed over time?' Meanwhile, here are some examples of their forensic research.

## Christmas Festivities

It was so lovely to welcome so many parents and family members into school this afternoon for our annual Decorations Day. It was an enjoyable and creative event which was enjoyed by all.

Just a note that our Christingle Service is being held on Tuesday 19th December, at the church.
