

YEAR FOUR

Maths

We have spent some time thinking about measure using kilometres and metres. We have also learnt about perimeter—calculating the perimeter of shapes including those with missing numbers. Can you find the perimeter of an object or room in your house?

English

In English, we have been writing an Ancient Egyptian adventure narrative including our learning from our topic. We have been trying hard to include subordinating and co-ordinating conjunctions in our writing and starting our sentences with fronted adverbials.

Homework Each Week

The following **must** be completed each week:

Minimum of 3 x 10/15 min sessions on TT Rockstars

1. **Minimum** of 3 x 10/15 min sessions on Spelling Shed
2. **Minimum** of 3 x 15 min reading sessions—diaries **MUST** be signed

Some children will be reading to a volunteer on a Thursday so don't forget to bring in those books!

Topic

We have started our new topic this half term, learning all about Ancient Egypt. So far the children have learnt where Egypt is in the world and the importance of the river Nile. They have found out where Ancient Egypt fits on a timeline in comparison to the Romans and Stone Age.

This week we enjoyed an Ancient Egypt experience. Here are some photos of our day!
