

YEAR FOUR

Dereham
Church Of England
Junior Academy

Maths

In Maths, we have continued to learn about fractions. We have been learning about fractions on a number line and comparing mixed numbers.

We are now moving on to improper fractions.

English

In English, the children became authors and published their Egyptian adventure stories into books.

We are now beginning to write a non-fiction piece about the Ancient Egyptians.

We have looked at the features and started to carry out research.

Please support your child with completing homework each week. If you struggle to get online inform the class teacher and they can print some workbooks.

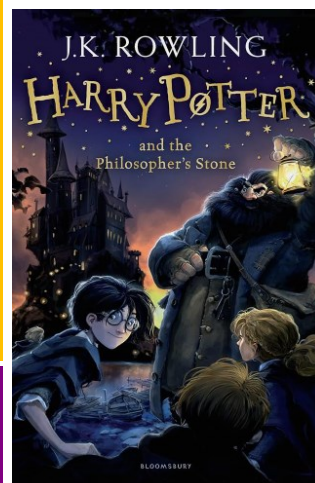

The following must be completed each week:

1. **Minimum** of 3 x 10/15 min sessions on TT Rockstars
2. **Minimum** of 3 x 10/15 min sessions on Spelling Shed
3. **Minimum** of 3 x 15 min reading sessions—diaries **MUST** be signed

Test Week

Next week, children will be sitting tests in Reading, Grammar, Spelling and Maths. These tests are to help us understand what the children know already and areas we need to work on in class. We also describe them as a chance to show off all the learning they have done so far!

Our current class text

Topic

In Topic over the past couple of weeks, we have continued to build on our learning from the workshop. We have learnt about how historians used sources and images to help us identify what ancient Egyptian houses looked like. We then compared them to the Stone Age and modern day houses. We have also learnt about the pyramids and why they were built.
