Any questions?

# Answers...

- The children are NOT to bring any electronic equipment
- NAMED disposable cameras are fine
- They are welcome to bring a cuddly toy (look after it!!!!)
- They can have a MAXIMUM of £10 to spend at the 'gift shop' - they must put what they buy straight into their bag
- A pillowcase (NOT pillow itself) and a sleeping bag are required - they do have mattresses to sleep on :)
- They will definitely have friends in their room
- Medicine should be handed to the office - named and with medical admin forms completed
