

Year Three!

Dereham Delivers!

This half term, we are looking at our local area and all of the ways that Dereham 'delivers' for us. This week, we went on a fantastic walk around Dereham to look at the different ways the land is used. The children drew a route on their own map and then marked the different land uses.

In English, we have been learning how to write persuasively and get more people to come and visit Dereham! We have looked at how to use rhetorical questions, emotive language and lots of adjectives to help us persuade. We can't wait to read the children's finished pieces!

World Book Day!

This week, we celebrated World Book Day. We had a fantastic day! We listened to some twisted fairy tales, chose our favourites and created our own character and then our own comic strip scene from the story.

The book swap was a great success too. Remember to exchange your WBD vouchers for a FREE book. Tesco and Morrison's are just some of the shops who stock WBD books.

Maths

We have been learning about time this half term. The children have been practicing telling the time on analogue and digital clocks as well as looking at hours, days, months and years.

Time is something that can take a lot of practice to learn so please help by talking to your child about the time and encouraging them to read clocks etc!

Homework Each Week

The following must be completed each week:

- 1. Minimum of 3 x 15 min reading —diaries MUST be signed**
- 2. 2 x 10/15 minutes on Times Table Rock-stars**
- 3. 2 x 10/15 minutes on Spelling Shed**

Thank you to those children who have been completing their homework each week.

Thank you for your support with this!

Thank you!

A big thank you to those parents who attended parents evening and had a chance to look through your child's books and talk about their progress this year.
