

YEAR SIX

All Hail Macbeth!

This half term, we are studying the legendary tale of Shakespeare's Macbeth! The children have been immersing themselves in Macbeth's character by writing some brilliant diary entries. They have also started working on portraits of Macbeth by using techniques such as cross-hatching to add depth and texture— we can't wait to see the finished results!

Crucial Crew

On Thursday, the children went to Crucial Crew to learn all about keeping safe—a really important skill in the lead up to high school transition! They enjoyed getting stuck into the activities led by the different crew members and learnt lots about keeping themselves (and others) safe at home; out and about and at sea.

World Book Day

We saw some fantastic costumes on Thursday to celebrate World Book Day, as well as children making the most of the 'book swap' scheme. The children also delved deep into some 'suspense' stories and created comic strips to carry on their narratives!

Homework reminder

Please remember that your children must be completing the following homework every week, not only for SATS, but to prepare for high school too:

3 x 15 minutes of TT Rockstars

3 revision booklets

3 x 15 minutes of SpellingShed

Reading at least 4 x a week
