

YEAR FOUR

Maths

This week, children are beginning to take mock Multiplication Times Tables Checks in school to practise for the real thing.

It is more important than ever to ensure that your child is going on TTRS daily!

English

In English, we finished writing our persuasive pieces on plastic pollution. Ask your child how plastic pollution is effecting the world we live in! Next week, we will publish and move onto writing our own setting descriptions.

Homework Each Week

The following must be completed each week:

1. **Minimum** of 3 x 10/15 min sessions on TT Rockstars
2. **Minimum** of 3 x 10/15 min sessions on Spelling Shed
3. **Minimum** of 3 x 15 min reading sessions—diaries **MUST** be signed

Horstead

Children and staff have both had a wonderful time on the residential over the past few weeks. Pupils got to try several new experiences and achieved things out of their comfort zone. Thank you for your support in this and for providing your child with what they needed. It really did make a big difference.

Topic

In topic, pupils have either made or are in the process of making their own pencil cases! The children who have already completed them have done an amazing job! We are extremely impressed with their sewing skills!
