

We have had a busy first few weeks of our summer term! We started off the term with our Religion and Worldviews week, exploring the Jewish festival of Passover. We are now onto our very exciting topic of Ancient Greece. The children have been learning all about Ancient Greece in all aspects of our curriculum.

Ancient Greeks

Topic— We have started off our unit by exploring what a democracy is. In the next few weeks we will be learning about the Olympics, Greek gods and much more!

English—In our writing lessons, we are preparing and planning to create our own versions of the story of 'Perseus and Medusa'!

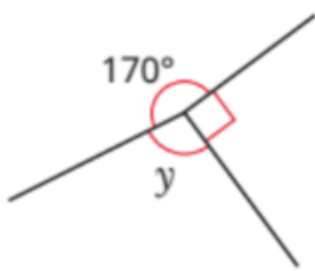

Synagogue trip

Last week, the children visited a Jewish synagogue in Norwich. We learnt all about Passover and Jewish traditions.

Maths

In maths, our focus has been on working out angles. Though the children found this tricky at first, they are now becoming masters.

Computing

This term, we are looking at programming with physical computing. The children have been able to control a light by programming a 'crumble'.

What's on?

W.c. 22nd April - **What was the Greatest Legacy of the Ancient Greeks?**

W.c. 17th June - **Is it fair?** (Religion and Worldviews)

W.c. 24th June—**Lifecycles and Fieldwork** (Trip to the Norfolk Broads)

Homework Expectations:

30 minutes TTR and EdShed (this is in addition to whatever is completed in class)

A minimum of **4 reads each week**— please chat to your child about their reading as their comprehension of a text is vital to enjoyment and good understanding. Please sign the diary when your child reads as this helps with communication between you and your child's class teacher.
