

YEAR SIX

Formal Letters of Complaint

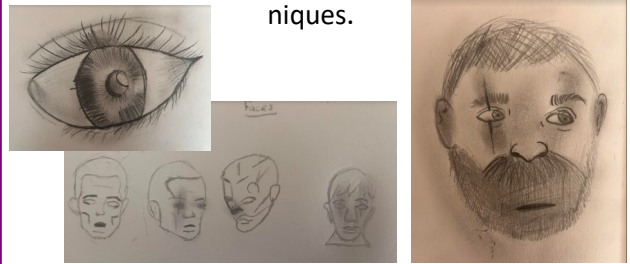

In English, we wrote in role to produce formal letters of complaint using Harry Potter as a stimulus for our writing. We were impressed by the children's ability to piece together arguments, using evidence from film clips and the texts to support their case. Some pupils should seriously consider careers in the Law profession!

Take a look at some of the truly magical results!

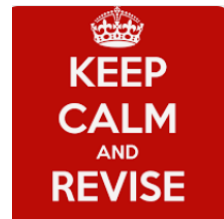

Amazing Artwork

We have some truly outstanding artists in our Year group and we wanted to showcase some of their talents using hatching and cross-hatching techniques.

Revision!

We have kicked off this term in revision mode as we rapidly approach our SATS. The students have been working incredibly hard and we have seen plenty of 'light-bulb' moments where it has all clicked into place.

Our Topic Coming up

Homework Days

Set and due on FRIDAY:
