

As we come to the end of year 5, the year 5 team want to say a massive congratulations to all of the students in year 5 who have worked so hard this year! It has been such a pleasure to watch you all grow and we can't wait to see what else you achieve in year 6!

We hope everyone enjoys their well deserved break and hopefully we may even see some sunshine!

## Norfolk Broads

Year 5 had an amazing time at the broads! Though we were met with a little rain, that didn't stop the children from having an amazing time!

We saw so much nature and developed our knowledge on the history of the broad.

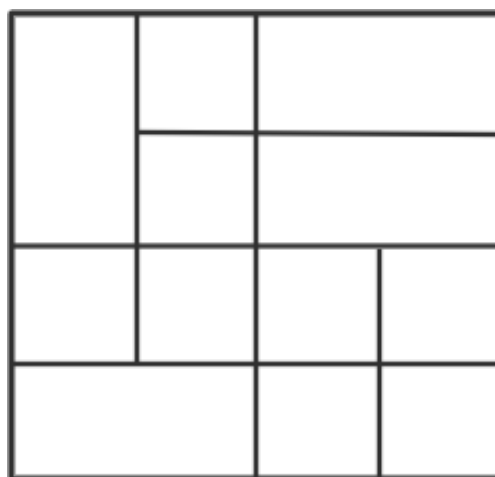

## English

The children have been hard at work writing and publishing their piece of writing on lifecycles! We are very excited for these to be published in our very own book. We know the book is going to turn out fantastic!

What is your favourite lifecycle?

## Maths

In maths we have been having a look at some puzzles. How many squares can you spot in this picture?

## Homework Expectations:

**30 minutes TTR and EdShed** (this is in addition to whatever is completed in class)

A minimum of **4 reads each week** — please chat to your child about their reading as their comprehension of a text is vital to enjoyment and good understanding. Please sign the diary when your child reads as this helps with communication between you and your child's class teacher.
