

Flu Vaccination E-Consent and Information

Good morning,

Please find attached the E-consent letter for your child's Flu vaccination for this coming winter. You can consent for either the Flu nasal spray or the non-gelatine IM Flu vaccine. We ask that you complete a form by clicking on the link <https://eastanglia.schoolvaccination.uk/flu/2024/Norfolk> or in the attachment as soon as possible. The portal will close 48 hours before the Flu session. Further information about the vaccine can be found in the leaflet attached and various links on the consent form.

Please complete the form to consent or decline for your child to receive the vaccine to avoid further contact from the team who may contact if no response is received.

Flu can be very unpleasant for children and can sometimes cause serious problems, such as pneumonia. Children can catch and spread flu easily. Vaccinating them also helps protect others who are at higher risk of getting seriously ill from flu, such as babies and older people.

The School Immunisation team will be coming into the school to deliver the vaccine. Please note that children cannot receive this vaccination with their GP unless they are clinically vulnerable.

Kind Regards,

Norfolk Immunisation Team
