

# Year Three!

## Religion and Worldviews Week - What is the Trinity?

We have been exploring the Big Question, 'What is the Trinity?' To express what we have learned the children designed artwork to represent the Trinity.

### New Topic:

### Fantastic Forces

In our upcoming topic, we will be learning about forces. As part of this, we will investigate friction and compare how things move on different surfaces. We will also learn all about magnets and use them to compare magnetic and non-magnetic materials.
