

## Maths

We have been looking at geometry in maths for the last few weeks. We have been learning how to measure angles in a shape, how to plot coordinates and how to identify 3-D shapes.

## Topic

Year 5 had some much fun on 'Greek Day'. We created and performed some Greek myth inspired drama, decorated our own Greek plate and even hosted our very own Olympics!

## English

As part of English this term, we are writing out very own Greek Myths! We have already looked at the story of Medusa and Perseus. The children are using this story to inspire their very own Greek Myth, packed with Greek Gods, mythical beasts and a hero who comes to save the day.

### Homework Expectations (Friday to Friday)
