

Year Three!

Year 3 Trip to Gressenhall

A letter telling you all about our upcoming trip to Gressenhall is now on the website. We are all extremely excited to take Year 3 to deepen their understanding of our Local History Study. This will be taking place on **Tuesday 8th July**. This trip has kindly been fully funded by our wonderful friends so there is no cost. Consent is required for your child to go on this trip. The consent is done through ParentMail. It may look like you have to pay when you go through the checkout but on checkout the balance will be taken off.

Norfolk at War

This half term, we have started looking into the big question 'How did national events affect local people?'. We have used an atlas to find the countries that took part in the war and the children have thought carefully about the impact Air Raids had on people's lives.

Well done Year 3!

We have been completing our final set of tests in Year 3 this week. The children have done a fantastic job and we've been blown away by the effort and hard working they have put in. We are extremely proud of all the progress they have made.

Well done Year 3!
