

# YEAR FOUR

## Maths

We have been learning about different types of angles, Triangles and quadrilaterals. We are now looking at creating symmetrical shapes and understanding different types of charts.

## Topic

We have been designing, preparing and testing our own sandwiches as part of DT. We are now looking at comparing the art work of Pablo Picasso and Paul Gleeson.

## Summer Ready

Don't forget sun cream and to have the right clothing to match the weather

## English

Having written a letter of complaint about the terrible service we received at a local restaurant ,we are now starting to look at writing our twisted version of Goldilocks and the three bears. Lots of description, action and fun to be included.

## Swimming

This term it is Seacole and Parks.

## Homework

1. When completing the sheets sent home on a Friday—remember to put your name on it. We can't give you house points if we don't know who you are!
