

# YEAR SIX

**Dereham**  
Church Of England  
Junior Academy

## Transition

Over the past few weeks, year 6 have had visits from the local High Schools to help prepare them for their move. We will be learning more in RSHE about the transition to help them become as well equipped as possible.

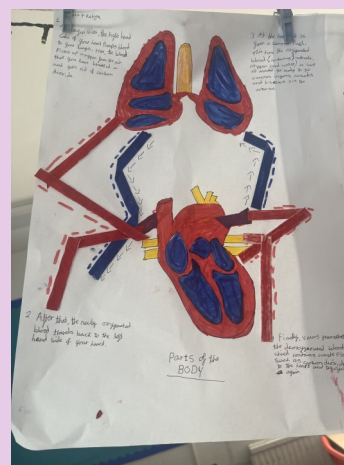

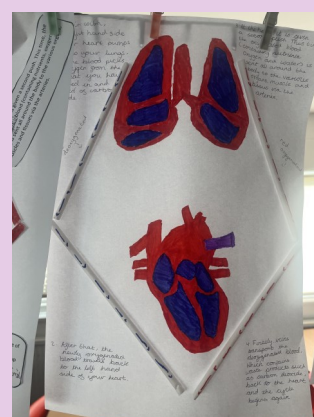

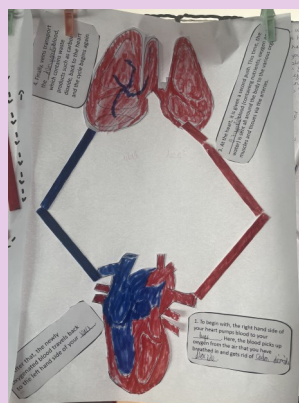

## Booktalk!

Year 6 have read 'The Final Year' by Matt Goodfellow as their class reader this year—a book about the final year of primary school written as a poem. The First Year is the sequel—about the main character's, Nate's, journey through year 7. The children thoroughly enjoyed 'The Final Year' so this could be the next great read for them.

## Blood, Sweat and Tears

Year 6 have been learning about the circulatory system including the different parts of the blood and how the heart operates. They recently made these fantastic models to show how oxygenated and deoxygenated blood travels around the body.

## Upcoming dates:

25th June—Sports Day—upper school—1pm—3pm

29th June—2nd July—PGL Caythorpe Court Residential
