OH SO PROUD...

Year 6 have had an amazing few weeks of activity over this past fortnight, starting with the residential. The children coped fantastically with the early mornings and full days while thriving in their activities! Meanwhile the children back at DJA had their own adventures using clay to create beady sculptures, making pizzas and having art and sport sessions. All in all, everyone (whether at PGL or at school) seem to have had a super few days. On our return to 'normal' school life, some children headed off to a team building day whilst everyone else started working in teams to create delicious and healthy cereal bars for High School Students.

THE RESULTS ARE IN...

This week we had the pleasure of receiving the children's SATs results and what a set of results they were! We are so proud of all of the children: they have all worked so hard and showed that
