

Year Three!

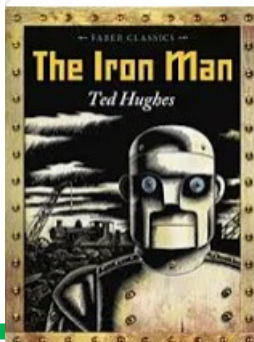

New Topic—Fantastic Forces!

This half term, we will be focusing on Science during our topic lessons. First, we will begin with a week learning all about rocks, fossils and soil and then will move on to spend time looking at forces in the world around us. We will get to carry out some practical investigations to help us learn more about friction.

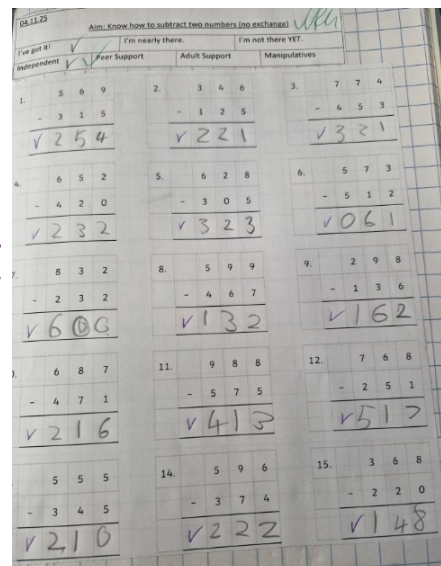

English

In English, we have been writing our own Cinquain poems this week. We will be moving on to write our own Science-Fiction stories inspired by the story of The Iron Man by Ted Hughes.

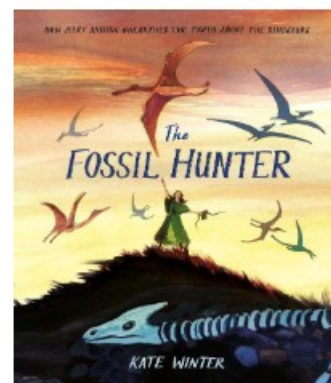

Marvellous Maths

We are learning all about using column subtraction to subtract 3 digit numbers. Here's an example of our great work so far!

Recommended Read!

The Fossil Hunter: How Mary Anning unearthed the truth about the dinosaurs

Homework Each Week

1. Minimum of 3 x 15 min reading sessions—diaries **MUST** be signed
2. 1 Spelling Task (paper)
3. 1 Maths task (paper)

Homework and diaries are collected in on a Friday and new homework is given out then too.

Thank you for your support with this!
