

Year Three!

Science—Light and Dark

The children came back from the Christmas break with great attitudes, ready to dive into their latest topic! We have started exploring all things light and dark. The children have already completed some fantastic investigations looking at how shadows are formed and how the distance from the light source affects the size.

Music

After an exciting half term of steel pans, we have started our next journey of pulse and pitch. Children have started working on their knowledge and application of different pitches. They have impressed us with their ability to stay on beat as a class!

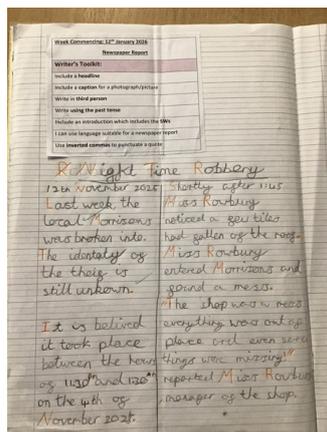

Riddle!

Answer the below riddle and tell your teacher for a housepoint!

What has a neck but no head, and wears a cap?

English

Our first unit back this half term has been writing a newspaper report. The children have been writing about terrible robberies happening all over the place!
