

# YEAR FOUR

## English

This week we are being journalists and writing our very own newspaper report based on the events of Pompeii in 79AD. Can they report what happened to you?

## French Les glaces

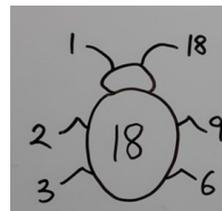

## Maths

This week we have been multiplying! We're gathering lots of tools we can use for whatever multiplication we come across.

How many ways can they think of to work out the product of:

- $15 \times 6$
- $17 \times 3$

x	1	2	3	4	5	6	7	8	9	10	11	12
1	1	2	3	4	5	6	7	8	9	10	11	12
2	2	4	6	8	10	12	14	16	18	20	22	24
3	3	6	9	12	15	18	21	24	27	30	33	36
4	4	8	12	16	20	24	28	32	36	40	44	48
5	5	10	15	20	25	30	35	40	45	50	55	60
6	6	12	18	24	30	36	42	48	54	60	66	72
7	7	14	21	28	35	42	49	56	63	70	77	84
8	8	16	24	32	40	48	56	64	72	80	88	96
9	9	18	27	36	45	54	63	72	81	90	99	108
10	10	20	30	40	50	60	70	80	90	100	110	120
11	11	22	33	44	55	66	77	88	99	110	121	132
12	12	24	36	48	60	72	84	96	108	120	132	144

We had an amazing time at the castle. We were very proud of how the children behaved and were engaged .

## RSHE AND Lifeskills

Over the coming days, we will be starting a fun and meaningful activity in class called a "Jar of Me." This project gives children the opportunity to celebrate who they are, share their interests, and build confidence while learning more about one another. Your child is invited to make one at home with a small jar or container (plastic or unbreakable, please) filled with items that represent **them**. These might include drawings, photos (copies only), small objects, words, or symbols that show their hobbies, family, favourite things, or anything that makes them special. There is no right or wrong way to do this—creativity is encouraged!
