

# YEAR FOUR

**Dereham**  
Church Of England  
Junior Academy

## English

Year 4 have begun work on completing an adventure story set in Egypt. We have been working on practicing expanded noun phrases, direct speech and looking at good examples of writing in the model text

## Maths

We have been looking at measure (how to measure in CM, M and KM) as well as recognising polygons. We are now starting looking at Perimeter. We have learned how to find the perimeter of rectilinear shapes using a grid and some methods to quickly find the perimeter of rectangles.

## Outdoor PE

This term, **Malorie and Seacole** will be **swimming** on **Thursdays** and **Parks** will be doing **outdoor PE** (Hockey) on a **Monday afternoon**. Parks can wear normal school uniform on a Thursday.

Please remember to bring in your reading records on a Friday.

The children can write what they have read **but it**

**MUST be signed by an adult.**

## Topic

Our new topic this half term is based around Ancient Egypt. We have used our Geography skills to find out that Egypt is in the Northern Hemisphere in the continent of Africa. That its capital city is Cairo and that it is bordered by The Mediterranean and Red Seas as well as the countries of Libya, Sudan and Israel. We also learned that as it is mainly desert, most cities are found along the River Nile.

This Wednesday we went to Norwich Castle to Learn more about the life, beliefs and customs of Ancient Egypt. It was a really interesting and enjoyable trip!
