Church Of England
Junior Academy

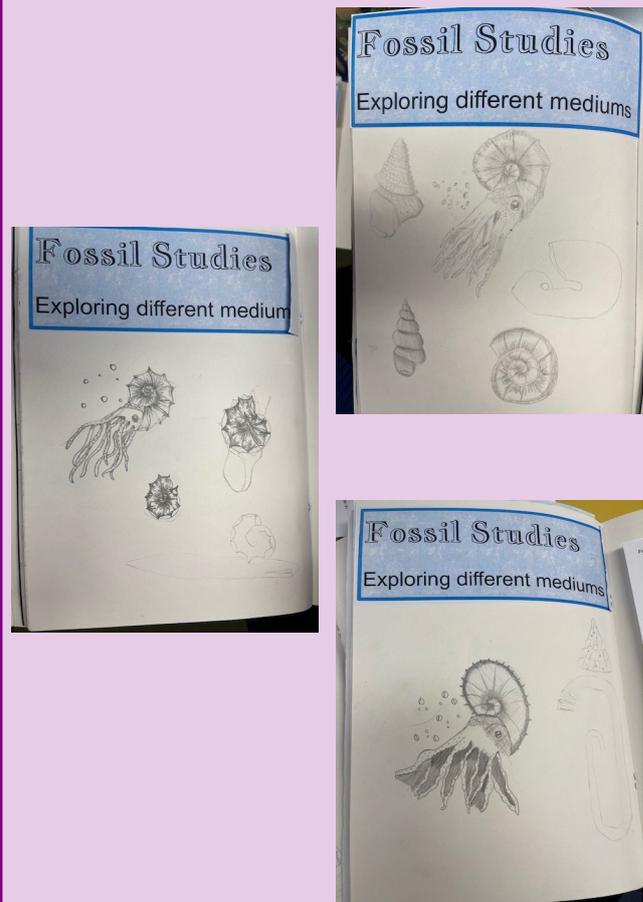

Topic—Fossil Hunters

We have been learning about Charles Darwin's theory of natural selection by carrying out a fun experiment to help us understand why different finches have different beaks. Ask us to tell you more but here are some photos!

Art

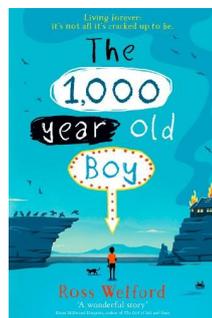

Again, as part of our topic, we have been drawing ammonites. We have been using the skills we have learnt in art to create texture, value and tone. Look at how amazing are drawings are:

Booktalk!

Something a bit different:
Blurb:

There are stories about people who want to live forever. This is not one of those stories. This is a story about someone who wants to stop... Alfie Monk is like any other nearly teenage boy – except he's 1,000 years old and can remember the last Viking invasion of England. Obviously no one believes him. So when everything Alfie knows and loves is destroyed in a fire, and the modern world comes crashing in, Alfie embarks on a mission to find friendship, acceptance, and a different way to live... which means finding a way to make sure he will eventually die.

Upcoming dates:

- 12th February —School Disco (Upper school 19:15—20:15)
