Exotic India

Are you ready for a holiday?
Welcome to India, the country with the most spices. Here's why you should visit today.

Food

Are you a spicy food lover?
Because you definitely want to visit after this! Kerala's food is a mixture of spice, seafood and coconut. You have to try parotta and chicken, chicken biryani with salad and masala dosa.

Festivals

Remember the reaper from 2025?
Because the most famous festival in India is the a boat racing which is identical to the MEME!!!.

Tourism

If you think all of India is hot? You are not completely wrong because some parts of India is hot and some are cold, you definitely want to visit all of them.

Religion

Have you ever wondered what is the main religion of India is? Well wonder no more because it is Hinduism it's also the **SECOND** biggest religion in the world. It's so big there are a few people in every country in the world they also have a language called Hindi.

India is waiting for you with exotic foods, crazy festivals and lots of tourism.

Head-turning Hogwarts

Welcome to Hogwarts School of witchcraft and wizardry where you can wake up, look outside and see mountains like no other! With it's once-in-a-lifetime Triwizard Tournament and nine christmas trees for the great hall alone, Hogwarts is the place to be all year round. Come to the ancient school of Hogwarts for the informative lessons, mouth-watering meals and events that will have you on the edge of your seat. Get your tickets for platform 9 ¾ and make sure you run into the right wall on the way in!

Food and feasts

If it is food you are looking for, we've got that too with our holiday feasts and the mouth-watering daily meals. The heaven-like chocolate fudge tantalizing your taste buds and making you wish you were never full! You'll love our food like family and that's no joke.

Centuries of classes

With the history and food of this castle, you may think we have it all and we do! So now for the classes the whole reason Hogwarts was built. With dodgy DADA and perilous potions, our classes are fun, ridiculous(sorry Professor Trelawney) or frankly dangerous no need for the DA because Umbridge is in Azkaban.

Events

Still don't want to come? You want something more exhilarating? Well we have that too! The annual quidditch counter house cup and the house points make you excited and if not, you can still watch the triwizard tournament or possibly be in this competition between countries with the yule ball and 3 more separate dangerous tasks, where you use both your wits and skills.

Houses, sorting and forefounders

Hogwarts was founded in about 1792 by Salazar slytherin, Rowena Ravenclaw, Helga Hufflepuff and Godric Gryffindor, together they built Hogwarts brick by brick enchantment after enchantment. Together, these extraordinary wizards constructed this historic school to pass down wizarding knowledge like no other and created a legendary legacy like Merlin himself. They put their souls into a hat and gave it magical powers it is now known as the sorting hat where if it takes more than five minutes to decide your house, it is called a hatstall.

In conclusion, Hogwarts will become your home and will have benefits on you and everyone else so pack your bags today .

Lithuania

Viktorija

Are you looking for an unforgettable experience? Well this is the place for you! You will love this country and if you love winter, there's so much snow in the winter. I'll bet you will love it so you must go! It's called Lithuania. Also, the food is super delicious

Food that is mouthwatering

Are you starving? Well, *Dadu* is ice cream but it's smaller than English ice cream but there are different flavours. *Bulviniai blynai* are pancakes but have a potato taste. *Kepta dno* is a popular crunchy deep fried brown bread. *Cepelinai* are dumplings which are also potato in the middle. There's a tradition for pink soup called *saltibarsciai* which has beetroots in it. Would you eat this if you went?

What to do there

Do you like ziplines well? You can go ziplining but on a few there is a height check where they check your if you're short, you can't go to the higher zipline but if your tall, you can go to the higher one. There are obstacles if you are short. If you're lucky there might be cows in your neighbours garden. If you are a winter person and you love snow come here at winter because there are a bunch of one snow in piles everywhere. You can also go into water but it's green water and its normal but something cuts yourself so be careful also there is a bit of sand and a lot in the valley ball area there are instruments, workout and a playground. There is a zoo as well and you can look at a lot of animals .

Traveling there!

Would you like to travel but don't know where? Well i got you! Go to Lithuania You need about £20-£50 for a budget. It takes 2 hours and 30 minutes to 2 hours and 45 minutes on a plane. But it takes 22 hours and 45 minutes (1,374mi) on car.

What they speak.

Have you wondered "what do lithuanians speak?" Well they can speak a few languages let's start with the basics they speak English of course there's English so that's helpful if you can't speak the languages I say lithuanian, Russian and polish (some can't speak polish) Here's a fact Lithuanian is close to Latuian if you didn't know.

So why wait? You can experience a life time journey looking at animals, eating amazing food to much on. Having fun playing with family and friends trust me it's better with them which is true. So why wait? When you can just get up and travel and have fun while you stay and relax! So are you gonna go or not?!
