

Year Three!

Dereham
Church Of England
Junior Academy

Light and Dark

In this topic, we completed our artwork inspired by the famous artist Piet Mondrian. The children explored his unique style, learning about primary colours, bold lines and geometric shapes. The children thoroughly enjoyed planning and creating their own masterpieces. They showed fantastic concentration, creativity, and resilience throughout the process, taking great care to make their designs neat and vibrant. It has been wonderful to see their hard work.

Well done Readers!

As a year group, we have seen a great increase in numbers of champion readers. These are children who have read 6 times or more. Well done everyone! We hope to see even more Champion Readers next half term!

Religion and World Views

This week, we have been completing our third block of Religion & World Views. Our big question has been, *'How do people show commitment to the Jewish faith?'* The children have asked some incredibly thoughtful and insightful questions throughout the week and have shown great curiosity during our discussions.

Thank you!

Well done to all of Year 3 for a great half term! We hope you have a great and restful half term and we look forward to welcoming you all back in Spring 2!
