

YEAR FOUR

English

This week, we have been drafting our own non-chronological reports about Ancient Egypt. Ask us what we know about this time period!

Spellings

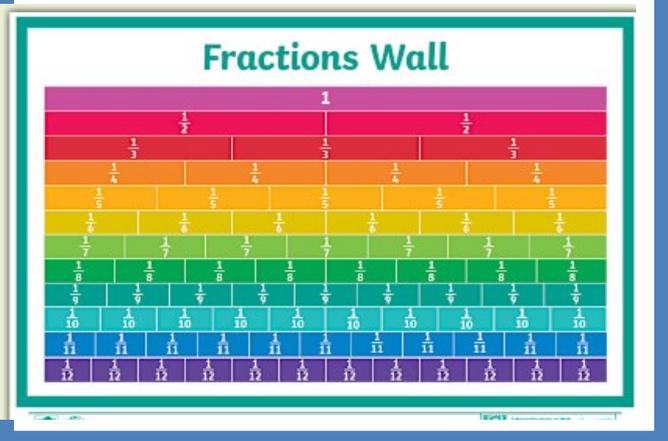

The children have enjoyed playing this game to practise their spellings. Click the link below if you would like to use it.

Maths

In Maths, we have been turning mixed numbers to improper fractions! We have used images and methods to support us. We have now begun exploring equivalent fractions.

Topic

In topic, we have been learning about the discovery of Tutankhamun's tomb by Lord Carnarvon in the Valley of the Kings.

We have written newspaper reports about this significant event. We know that over 5000 artefacts were discovered and that he was a very young king!
