

## World Book Day

This World Book Day, the theme has been 'Reading your way', which calls on everyone to enjoy the pleasure of reading and read what they are interested in. With that in mind, we shared our favourite books, completed 'Traitor' style book challenges and spoke about how to make reading fun based on our interests. There were plenty of fabulous outfits which showed off the wonderful world of books!

## Religion and Worldviews Week

Last week, the children enjoyed a visit to the Wellspring Church as part of their Religion and Worldviews topic. They enjoyed singing songs, helping to stock the shelves of the food cabin and speaking to people from the church.

## English: Newspaper reports

This week, we have begun our new topic creating journalistic newspaper reports about a natural disaster. We cannot wait to share these with you!

## Maths: Area and Perimeter

In maths, we have been practicing our measuring skills using rulers and learning about how to calculate the perimeter of rectangles.

## Recommended Read

A beautifully heartfelt and moving story with strong environmental themes. This story highlights the topic of global warming but also draws a picture of the wonderful connection that can develop between children and animals.

## Topic: Earthquakes and Tsunamis

In Topic, we have started exploring earthquakes and tsunamis. We have been learning all about biomes, how mountains are formed and why earthquakes happen.

Did you know Dome Mountains, like Devils Tower in the USA, are formed when magma is forced out but doesn't flow?

Stay tuned to find out more amazing facts as we move through this fascinating topic!

## Homework Expectations (Friday to Friday)

**Reading** - at least four times a week

**Spelling focused activity** (paper based)

**Times tables focused activity** (paper based)

TTRockstars/Spelling Shed - **optional** extra
