

Year Three!

Plant Power

This half term, our topic is all about plants! Over the past week, we have been busy carrying out an exciting experiment to find out what happens when plants are missing some of the things they need to grow. The children have been making predictions, observing changes, and recording what they discover.

No light

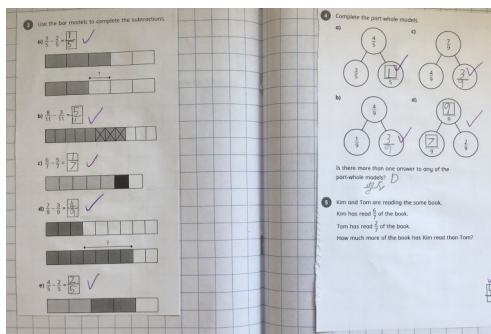

No water

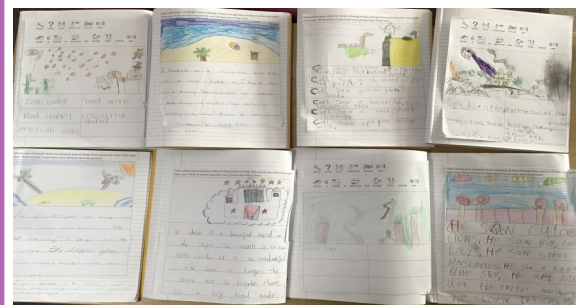

No soil

Fraction Fun!

This week we have had lots of fun adding and subtracting fractions.

English Spotlight - Expanded Noun Phrases

Riddle me this!

If you think you know the answer tell your teacher for the chance to win a house point!

I drink without a mouth, I stand but have no feet, I grow without moving. What am I ?
