

# YEAR FOUR

**Dereham**  
Church Of England  
Junior Academy

Wow! What a whirlwind few weeks we've had. Whether they were at Overstrand or school, I hope the children had a fantastic few days engaging in lots of new things!

We have BrightBites visiting on Wednesday for a chat all about teeth!

Things to note:

Homework is handed out on a Friday and has to be handed in by the following Friday.

There are times tables on one side and spellings on the other.

Children are expected to try and have a go but even if not completed in full, they can hand in for a housepoint.

Children should read 3 times a week but if they have lost their reading diary, can hand in their details on a slip of paper.
