

YEAR FOUR

Year 4 are currently very busy preparing for the Multiplication Timestables Check the first week back after May half term. Please try to test the children on any facts they are unsure of. You can find this information by looking at their heat maps under “fluency.” Below are the class heat maps for each class:

Topic:

In Topic, we have started looking at maps. We have explored OS maps and their symbols and we have started to use grid references to locate places. We took a walk to the Meadow to carry out field work and draw our own maps.
