SATs Week

We couldn't be more proud of year 6 last week. It was great to see so many of them in school for breakfast beforehand and they all tried so hard during the tests. Well done Year 6!

Religion and Worldviews—Philosophy

This week we have been looking at the question:

What can we learn about the meaning of life from the great famous philosophers?

This has involved looking at what Plato's idea of the meaning of life was as well as the Humanist idea. We have also thought about what the meaning of life means for us.

Alma

We have been writing a narrative piece this week, based on a video called Alma. In it, we have tried to create tension and include dialogue. Here is an excerpt of one of our stories:

My body filled with despair as I watched the little girl tip toe around the shop. 'Leave!' I tried to shout but it came out as barely a whisper. Little did she know, this was going to be her home ... forever.
