

Year Three!

Dereham
Church Of England
Junior Academy

Norfolk At War

This half term, our topic focuses on how World War II impacted local areas in Norfolk. The children have shown great enthusiasm and curiosity throughout their learning and have begun creating sketches inspired by the wartime artist Graham Sutherland. Their artwork has reflected both their growing understanding of the period and their creativity.

Maths

Next week in Maths, we will be focusing on telling the time. If you have some time over the weekend, it would be very beneficial for your child to practise reading o'clock and half past times. Any extra practice at home will help to build their confidence and support their learning in class. Thank you!

Well done!!

This week we have been completing our final set of tests in Year 3 and all of the children have worked incredibly hard. We are extremely proud of the progress they have made and the effort they have shown throughout the week.

Well done Year 3!

Riddle me this!

If you think you know the answer tell your teacher for the chance to win a house point!

What has hands but can't clap?
